

Dear Parents,

Hope you all are doing well. This is to inform that the new session of our school will start from 1st April 2020. For which the timings will be 9:00am to 2pm.

Our school has timely grabbed the opportunity of teaching Online in this challenging hour of nation-wide Lockdown.

Kindly make a note of the following -

1. Classes 1-4:

3 worksheets per week will be uploaded on ERP which you can print at home and guide your children to complete. These worksheets can be brought to school on re-opening for corrections.

Secondly, "Matific" (online Maths tool) will also be started from the new session. For this, the teacher will coordinate with you so that students can start using this as well.

2. Classes 5-12:

The students will have their regular classes as per a set Time Table on Zoom App. The class teachers will guide you on installation of the App.

The students can solve the worksheets/ assignments on loose sheets or notebooks available with them.

Attendance will be taken in each class.

3. NCERT Books are available online and for private publishers book, teachers will provide the concerned app.

4. Timetable will be sent to you by 31st March by the class teachers.

5. School has already conducted online training for teachers in 'Zoom Cloud Meeting' for your kind information.

Take care

Regards

Jaypee Public School, Greater Noida
