Dear parents,

Greetings from Jaypee Public School

On the out-set I wish to compliment you all for joining hands with the school in successfully carrying forward off/online learning of your ward during the last academic session, which was adversely affected by the COVID.

In New Normal a combination of off/online learning will be the best way forward for all of us to combat with the changing waves of virus.

Keeping in view the UP State Govt. orders in wake of rising COVID cases, the school has decided to physically re-open school in the following phases:-

- i) **Phase 1–Grade X & XII from 8th March,2021**
- ii) **Phase 2 – Grade IX from 5th April,2021**
- iii) **Phase 3 – Grade I – VIII & XI from July,2021**

The new academic session for Pre-primary, primary and middle classes shall commence in online mode w.e.f. 5th April, 2021, Monday till summer break.

The school is and will continue to take all necessary precautions for safety of our students and staff.

Warm Regards,

Ms. Meeta Bhandula
Principal
