## Message from Director Education (Jaypee Schools)

**"There are no secrets to success. It is the result of preparation, hard work, loyalty, persistence and learning from failure."**

**- Colin Powell**

Dear Parents,

Once your child joins us, he/she is whole heartedly part of JPS family. Here we groom our students and build their inner strength while keeping in mind that how they should be when they step out from our school's secure environment to explore the world which is full of challenges. We prepare our students for tomorrow's world through a broad and stimulating curriculum and providing them with exciting and engaging learning experiences. We firmly believe in inculcating good habits and values by involving them in activities to hone their skills like effective communication skills, environment consciousness, life skills, sportsmanship and good etiquettes. I believe that no school can evolve without successful partnership with PARENTS! Teacher and parents need to work as a team to understand, motivate and encourage their children to excel. As our moto says, "HUMILITY ENHANCES EXCELLENCE".

All the best!

**Manika Gaur**  
Director Education (Jaypee Schools)

## From the Principal's Escritoire

**We don't learn from experiences.....  
We learn from reflecting upon experiences.....  
- John Dewey**

Dear Students,

I am glad to bring to you our Term II newsletter 'Resonance' which captures the spirit of all the special occasions and memorable moments of collaborative learning in the school through various scholastic and co scholastic activities. All the events and programmes are directed towards providing you all an ideal platform to experience, experiment, explore and enhance your latent abilities. Through this issue, I take an opportunity to congratulate all those students who have participated in different activities and walked an extra mile towards their future goals. I believe that goals do remind us of our objectives, constant hard work and perseverance but the true meaning of learning is to attain perfection in whatever we do. It is rightly said that if we take care of small things, big things will take care of themselves. Take decisions judiciously so that you make your mark and are applauded for your contributions. No one but you alone can take responsibility for your actions, so learn to think on your feet and deliberate before you speak or act. Enjoy each moment of your engagement with all these activities as there is no rewind in life, only the flashbacks..... and of course Reflections! Happy Reading

# ANNUAL FUNCTION & PRIZE DISTRIBUTION CEREMONY 2018

Congrats! These records would remain until the point it breaks again.

School celebrated its Annual Function and Prize distribution ceremony with great pomp and show at Gautam Budh University, auditorium 1, on 8th December, 2018. It is one of the best auditoriums with the seating capacity of 1700 which provided a blissful experience. Chief Guest of the day, Mr. S. C. Saxena ji, Vice Chancellor of IIIT, Noida graced the function. Director Education (Jaypee Schools) Ma'am Manika Gaur ji, President Education Cdr. S. J. Singh ji and Sr. Vice President Education Shri M. P. Sharma ji also added charm to the event with their benevolent presence. The function commenced with the lamp lighting and chanting of mantras. The NAI TALEEM- A Musical Extravaganza of dance and drama in which more than 400 students took part was truly incredible, vibrant and electrifying. All the participants attired in fascinating dresses presented different cultural items based upon the theme.

Ma'am Principal Ms. Meeta Bhandula presented the Annual Report of the school for the session 2017-18 highlighting all the achievements of the school. She accentuated all new initiatives and innovative practices under taken by the school, assuring that the institution is committed to provide quality education. The Chief Guest appreciated the theme NAI TALEEM chosen by the School for Annual Function, while addressing the gathering. Sir also congratulated the Principal and the management of the school for showcasing a truly mesmerising show. The programme was wind up with the vote of thanks by the member of the Student Council.

**WE HAVE A  
LIFT OFF!**  
NEW WEBSITE  
LAUNCHED

The school launched its new dynamic, interactive and device independent website with a new look and feel. The parents will now avail new facilities on the website including online admissions, mobile-friendly mode and online fee payment. Achievements of the students are acknowledged on the website. Affiliations with Bhartiya Vidya and NBA are also portrayed. But the best part is, we have an Alumni page which recollects memories with the passed-out batches plus a Career Counseling page where senior students can find information about different and engrossing career options, courses offered by different Universities, entrance exam dates, etc. Content is constantly updated, showing exactly what is happening within and outside the School campus. This website has been designed and developed by Ms. Rooma Khemka, PGT Computer Science.

## SPORTS ACHIEVERS

Certainly, sports help children in building character and improving energy level. Children learn teamwork and adaptability. Moreover, they create strategies and also imbibe the ability of planning things. We are delighted and proud to present the name of the sports stars who brought laurels to the school in different sports.

## National Cadet Corps

It's a matter of immense pleasure that our school got the affiliation for NCC (National Cadet Corps) with 25 vacancies from 31 Battalion Gautam Budh Nagar (UP). As we all are aware that NCC is a very important part of schooling and it is an opportunity for the students to get basic military training. In alignment with NCC moto 'Unity and Discipline' the girls learn to become the disciplined citizen of the nation. We can proudly say that we motivate our girls in the field which is known for the boys. We initiated NCC first for the girls only and we are among the few schools those who have NCC training. We are looking forward to see our girls on a pride podium to represent our school at the National level and become future army officers from different courses like education, medical, legal and definitely fighting front also.

## Synthetic Basket Ball Court

School always believed in the need and importance of games and sports to develop the overall personality of a child and to impart specialized training to the children. Now to add another feather in the cap school has comprised in its sports curriculum a **Synthetic Basketball Court** as per International standard which is more safe, less fatigue, less harsh on body parts and sheer enjoyment to play on it. Walking on the same path School has started Junior NBA programme to build a strong basketball team to represent the school in the future.

## Ek Prayas - An Effort There is no bar for the learners.

School is also committed to educate International students and welcome them with open arms. To break the language barrier and make them confident in interpreting spoken and written English and Hindi languages, School has organized special language classes for Korean and Afghani students where One-to-One instruction is given by an experienced language teacher.

## Steps taken to ensure the safety and security of the children

- 13 new CCTV cameras have been installed in the junior, senior wing and at the guard room at the places which are prone to accident making a total count of 63 cameras in the school campus. These are monitored during school hours by school staff so that an immediate action may be taken in case of any untoward incident.
- Evacuation plans are put up on all floors and evacuation mock drills are conducted at times.
- Regular workshops are conducted on POCSO Act to educate children so that they don't fall prey of sexual abuse.

**NEW**  
**INITIATIVES**  
*Dedicated to Excellence*

## New Club Activities for Holistic Development

Committed to the pursuit of excellence, the school has started diverse club activities from October, 2018 to foster and develop multiple competences, skills and enhanced self confidence of students through positive learning experiences. We want to create the broader prospective of our students and also looking forward to explore their interests. To move on this path gracefully, we have started different and interesting clubs i.e. **Paper Quelling, Shooting, Theatre, Western Music, Computer Club, Chess, Photography and Western Dance** for the students where students can acquire number of life skills.

**CHESS**

**SHOOTING**

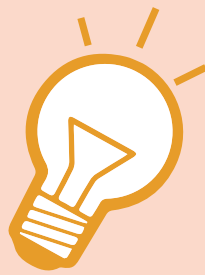

**PHOTOGRAPHY**

**WESTERN DANCE**

# Innovative Practices

*Shaping the future with ingenious knowledge*

## **ASSET (Assessment of Scholastic Skills through Educational Testing)**

is a scientifically designed, skill-based diagnostic assessment through MCQ to measure the understanding of SKILLS and CONCEPTS by the student. The test provides information on the strengths and weaknesses of individual students and also entire classes.

**VVM (Vidyarthi Vigyan Manthan)** is a National level online examination for educating and popularizing science among school students of VI to XI standards. VVM also endeavors to identify the bright minds among the student community, who are keen on subjects related to science. VVM is initiated by Vijnana Bharati in collaboration with Vigyan Prasar under the Department of Science and Technology, Government of India and NCERT.

School really believes in finding new and innovative ways to enhance the learning and understanding ability of the students. We all are the part of knowledge driven society. These methods lead the scholars towards the influential actions and activities. Keeping these things in mind **JPS** introduced **ASSET & VVM** to the students.

## *Soaring to Excellence*

School got the opportunity to host CBSE North Zone 1 Lawn Tennis Tournament from 7<sup>th</sup> to 10<sup>th</sup> October 2018. More than 300 students from 51 schools had participated in the tournament. 23 players stayed overnight in the school premises. Chief guest Ms. Poonam Vishnoi (District Sports Officer), Guest of honor Mr. Zakir Khan an eminent shooter and also a winner in Common Wealth Games and Ms. Ankita Bhambri silver medalist in Asian Games graced the momentous occasion of opening ceremony.

Kalpna Sharma ji the Director of the Amity School of Physical Education and Sports Sciences also showed her benevolent presence as a Chief Guest in the closing ceremony. This tournament was a grand success and another feather to the school's cap.

# Where there is Unity there is always victory

*Together we make the difference*

The Run for Unity was organized on 31 Oct 2018 to mark Sardar Vallabhai Patel's birth anniversary in our school with zeal and zest to commemorate his legacy. This day will be monumentalizing as National Unity day. The main purpose of this phenomenal activity was to make students aware about its importance in the context of the nation's unity and integrity. The 'Run for Unity' Marathon was flagged off by Ma'am Principal Ms. Meeta Bhandula of having all children run together in a tribute to Sardar Patel.

## Literati Fiesta

*Preparing Students for Success in a changing world*

The event started with the formal welcome of the guests Ms. Manika Gaur (Director Education, Jaypee Schools) and Mr. M. P. Sharma (Sr. Vice President, Education) and eminent jury member Ms. Vidhu Kulshreshtha. In this propitious event 34 reputed schools had participated with full of zeal and gusto. Play enactment on interesting scenes from the dramas of Shakespeare, Bernard Shaw and Oscar Wilde were enacted. Battle of words and Character Come Alive were also the part of competition. Besides this, Hindi NukkadNatak, Ashuwaq and Lok Katha Pradarshan showcased the literary talent of the competitors. The judges gave away the prizes to the winners. Jaypee Public school, Greater Noida won the overall trophy by winning first prize in 2 events (English Play & NukkadNatak) second Prize in 3 events: Characters come alive, Kathputli Play & Debate and third prize in Aashuwaq

# Excursions

## *Learning beyond walls of the Classroom*

Every year, we organize excursions for students to make them spend their day outside of their classrooms where they can experience the things in real which they learn in the school. These educational trips provide the opportunity to the students to make much more stronger bond with their peers. This year also school organized trips for all the students. Pre-nursery and K.G visited **Stellar Museum**. While grade 1 and 2 went to **Kidzenia** and grade 3-5 enjoyed their day in **Appu Ghar**. For grade 6-12 an adventurous place had been opted name **Muddyboots** where all children had fun with great energy.

A Pious Visit To Gurudwara

# Workshops

## CBSE Capacity Building Programme attended by commerce teachers

Our PGT (Eco.) Ms. Ritu Datta and PGT (Acc.) Mr. Shekhar attended a workshop on **Capacity building programme for business studies** was organized by RO, Dehradun, CBSE in Gyaanshree School, Noida.

The objective of the workshop was to acquaint teachers with modified syllabus of Business studies and update the knowledge with few modifications in NCERT text book.

## POCSO Workshop

**“Childhood should be carefree, playing in the sun;  
not living in nightmare in the darkness of the soul.”**

On 15 th September 2018 a workshop was conducted on POCSO act in the school campus. The main objective of the workshop was to enhance the knowledge of the participants about the main features of POCSO act. As child sexual abuse is a highly growing concern because sexual violence can have serious consequences for not only children, but for their families too. So, it becomes our responsibility to combat this menace in different ways. Such workshops will help teachers and parents to create a more caring atmosphere and they will get more acquainted towards their role in the society.

## Enlightened Thinkers

### *Paper presentation by Science teachers*

On the focal theme for 9th NTSC 'Design Literacy for Effective Science Communication by Educators', our Science teachers **Ms. Suvigya Drabu (Biology)** submitted her research work on the topic **“Sustainable development - India’s prospective”** which gave an insight of India’s Vedic View and Methods of sustaining energy at global level & **Ms. Shraddha Mathuria (Physics)** presented her research paper on the topic **“Approach of Media for Neo Millennial”** in which she explained the ways to design the learning material to cater to learners with a range of different learning modalities.

Ms. Suvigya Drabu

Ms. Shraddha Mathuria

Ms. Neeraj Singh

### *Observer at National Level CBSE Sports Event*

The School H.O.D. Sports, **Ms. Neeraj Singh** who is a dynamic professional has been appointed as **National Level CBSE Sports Observer** in CBSE Lawn Tennis Tournament. Indeed a great achievement!

## Successful Completion of One Year Golf Programme

*(School produces its first batch of golfers)*

Students of classes IV to X who all had joined School’s Golf Academy in 2017 have accomplished their One Year Golf Programme and have also started giving their appearance in competitive golf matches.

To acknowledge these students a certification programme was held on 15 Dec. 2018. On this triumphal occasion along with Ma’am Principal Ms. Meeta Bhandula, Retired Major General Subhash Bindra and Mr. Monish Bindra (Head of the instructions and club fitting) had shown their benign presence to felicitate all 22 students with the certificates and emboldened them to undertake the future endeavour.

Serena Singh of grade X A and Himanshu Nagar of grade IX A were chosen as Head of School’s Golf Team who will represent the School’s Team in the upcoming future matches.

# Community Outreach Programme

*"Spreading Compassion with Kindness"*

## BALWADI PRE SCHOOL

With an objective to educate and empower under-privileged children, school provides education and nutritional support to more than 100 students living in Jaypee Greens Labour Camp under CSR (Corporate Social Responsibility) of Jaypee Group. With the same objective, on 26<sup>th</sup> November 2018, Ma'am Principal Ms. Meeta Bhandula doled out books and eatable among these children and on 24<sup>th</sup> December 2018, on the occasion of Christmas, our tiny tots accompanied Principal ma'am to distribute sweets with the warm feeling of share and care and in return received joy and enthusiasm on children's faces. The feeling of joy was apparent all around and the surroundings were filled with blessedness.

## KERALA RELIEF FUND

Students, parents and teachers of the school joined hands together to contribute towards relief operations for flood hit Kerala. Together the school collected and donated essentials like – new sleeping mats, bed sheets, blankets and food supplies like sugar, tea, grains and daily essentials. These were dispatched to the disaster stricken state.

## GO GREEN MARCH

*"Sustaining Environment for the future generations"*

The tiny tots of kindergarten were taken for a GO GREEN MARCH around the school campus to spread the awareness regarding the conservation of natural resources. The children wore green coloured head bands and hand painted T-shirts. They chanted slogan in glee. This event offered a jam packed activity around sustainability and the environment. The aim of this activity was to raise awareness of environmental issues such as climate change and giving some nifty skills to green up your life.

# Community Helpers

*You have two hands....one to help yourself and the second to help others.*

As children build literacy and a community helper theme made students learn about all the people who provide their services to them. Through this activity our tiny tots tend to learn about the tools, uniforms and tasks of a variety of community helpers such as policeman, architect, doctor, banker, teacher, veterinarian, fire fighter etc. children also learned that the people in the community help each other by offering goods and services.

## Clean Communities, Healthy Citizens

*Swachhita Pakhwada - A cleanliness drive*

In the continuation of increasing the number of Swachh Bharat Ambassadors School organized a cleanliness drive programme for the primary students. All the students were engaged in different activities. Special lectures were arranged and Swachh Bharat campaign oath was taken to maintain cleanliness all around. To acquire the objective of attaining a clean country, children were taught about the importance of cleanliness and sanitation and how to raise the collective awareness to achieve clean classroom and clean public spaces.

## FROM THE PRINCIPAL'S ESCRITOIRE

Dear Students & Parents,

It gives me immense pleasure to release the Term I newsletter of session 2019-20 Resonance vol 2 which is a reflection of our efforts to pair experiential learning with school activities and to constantly encourage and involve students to nurture their inherent talents. I congratulate all the students who have worked hard for achieving excellence in academics & co-curricular activities and the editorial board for their tireless efforts in bringing out this edition of the newsletter. Schooling is a period of joy, healthy competition, learning to share space with friends and preparing yourself for life ahead. I wish that each student enjoys every moment of it; participate in every class and school activity. Our five pride values, we live and work by- Passion, Respect, Integrity, Diversity & Empathy and try to integrate them in all aspects of school life. We pledge to work for every child in each academic session, and in the process open new vistas of learning.

Ms. Meeta Bhandula

## 'CREATING A COMMUNITY OF LEARNERS'

# NEW INITIATIVES

*‘The race for excellence has no end’*

Academic Scholarships are conferred upon to the meritorious students who have scored 90% or above in aggregate in class X CBSE Examination (session 2018-19). Also top three scorers of class XI were given academic scholarship.

- **Sports Scholarship** was awarded to five students who had performed well CBSE tournaments at both National and State level.
- **Introduction to Open Door’s Diagnostic Assessment Program (V-VIII)** - To improve the conceptual understanding of students in Science and Mathematics the Open Door’s Diagnostic Assessment Program was introduced from July 2019. It aims at developing the habit of ‘learning by understanding’. These assessments help school teachers to make improvements in student’s understanding through remediation and repeated assessments. Through a series of enjoyable and high-quality assessments and constant feedback, students are able to gain an in depth understanding.
- In succession to **ASSET** (a skill-based test was conducted for students of classes VI-VIII), this year the school has taken the program one level up by taking the **Detailed Assessment for class IX** students which will help in highlighting the specific and critical learning gaps.
- **A counselling slot** has been introduced in the timetable of every class so that the counsellor can interact with students on a regular basis and take care about their behaviour and emotional well-being.

- **New Clubs:** Astronomy, Robotics, Football and Basketball Clubs have been started. Club session duration has been extended to 80 minutes from 40 minutes.
- **The new course, Artificial intelligence** for class 9th and Yoga for class 11th launched by CBSE are implemented in school to give exposure of the latest technology and trends.
- **New library for senior students** has been started in the senior wing. The senior library is equipped with a wide variety of new books of different genres - fiction, competitive exams, magazines, refresher books etc.
- **PRERNA** - The Special Education Wing has been renamed as ‘**Perna**’ which depicts its motto **Wings of Motivation** where children with some special needs are empowered to live their lives independently and confidently with main stream of the society developing their individual potentials. It was started in the year 2014 and within five years of its promotion, Perna has earned a good reputation for providing high-quality inclusive education to children with special abilities. Students are mentored by highly qualified full-time educators including occupational and speech therapists, counsellor, shadow teachers and special educators who administer individualized learning programs. It offers one speech and language therapy labs, one occupational therapy and sensory integration gyms, a digital library, an art room, 3 air conditioned remedial classrooms and audio-visual aids.

# EVENTS & ACTIVITIES ORIENTATION PROGRAMME

*‘Quality education - by any means is necessary’*

An Orientation Programme was organized for the parents of new admission at the school Multi-Purpose Hall. The main objective was to familiarize the parent ‘as partners in progress’ with the curriculum, rules and regulations, arrival and dispersal, teaching methodologies, the Co-scholastic activities and the examination system. The overall program was very inspiring and enriching which gave parents a complete insight of the educational plan for their wards.

## KHELO INDIA

## VISIT TO THE LAUNCH OF FIT INDIA MOVEMENT

29 August 2019 will be remembered as an important date in the records of JAYPEE PUBLIC SCHOOL, Greater Noida. The students of the school were highly euphoric to be the part of the live launching of the FIT India Movement by our worthy Prime Minister ‘Mr. Narendra Modi’. The event took place at the Indira Gandhi Stadium in New Delhi. Around 100 students along with the school Principal Ms. Meeta Bhandula and few teachers attended the program.

The live telecast was shown to the remaining students in the school. The Prime Minister in his speech addressed the nation and appealed to every citizen to remain healthy and fit. Prime Minister Modi paid tribute to Dhyan Chand.

Fitness has always been an integral part of our culture but there is indifference towards it now, as technology has contributed to a sedentary life style.

# INDEPENDENCE DAY CELEBRATION

## *'Reverence to the unsung heroes'*

To infuse the feeling of patriotism, nationalism, loyalty and adherence among the students for the country, the school celebrated India's 73rd Independence Day with great zeal and zest. The school Principal, Ms. Meeta Bhandula hoisted the flag and gave it the honor and ceremonial salutation followed by the singing of the National Anthem. Paying tribute to our unsung heroes for their unconditional sacrifices in freedom struggle, the celebration commenced with renditions of patriotic songs. It filled the entire atmosphere with a patriotic fervour. Primary students presented beautiful dance numbers encompassing the vibrant display of colors, festivity and nationalism. The play prepared by the senior students touched the heart of everyone. Ms. Meenu and Ms. Mohita acquainted students about the milestones of independent India and shed light on the crucial development of our country. The celebration concluded with the inspiring words of the Principal.

## A VISIT TO DELHI BOOK FAIR

There is no substitute for books as it always leads us from ignorance to knowledge. It also plays a paramount role in teacher's life. With this thought 10 teachers from their respective department of Maths, Science, English, Computer, Music and Arts of the school visited Delhi Book Fair at Pragati Maidan, New Delhi. The theme of the book Fair was dedicated to the commemoration of 150th birth Anniversary of Mahatma Gandhi which had also been depicted with a pictorial exhibition and there was a thematic display of books pertaining to the Gandhian thoughts and life. Besides the opportunity to browse through an assortment of books of different genres of literature, art, culture and Science, teachers also witnessed different dance forms of India. Teachers discovered wide range of great books - enough to get any child excited by reading it.

## SPECIAL OLYMPIC BHARAT

It was primarily organized for the youth club of the school. It was a unified event for special athletes from MBCN School and Jaypee public school.

## TEACHERS' DAY

***'A good teacher inspires hope, ignites imagination and instill love for learning'.***

Teachers' Day on 5th September 2019 was celebrated with great gusto and gaiety. The complete atmosphere of the school turned electrifying. The student council had taken over all the duties of the celebration in order to let all the events move in an organized manner.

A special assembly took place in the Multi-Purpose Hall. Students performed a scintillating cultural show to denote their love, respect, acknowledgement and recognition of the hard work put in by the teachers towards their development. The cultural show incorporated poems, songs, dance and drama. They also entertained teachers by arranging fun games for

them. They signified that, teachers play a vital role in making their pupil accountable citizens of tomorrow and wonderful human beings. They are the cornerstone of students' future and there's nothing worth enough to gratify them for their selfless service and commitment.

The program concluded with the address of the Principal, Ms. Meeta Bhandula. She appreciated all the efforts put in by students and concluded her address with her wishes and blessings to the students for their upcoming Mid-term exams. The program was enjoyed and cherished by all the teachers.

Ms. Manika Gaur ji (Director Education, Jaypee Schools) graced the event with her benign presence. A group of teachers presented a mellifluous medley which was followed by magnificent poetry and gazals creating memories to cherish forever. The day came to an end with the scrumptious lunch hosted by the school management for the staff members. It was truly a proud day for the teachers to bask in the love and attention they received from their students and the management.

## EYE CHECK-UP CAMP

***"We care for you..."***

The school ensures the well-being of all the students.
